

Transforming Spaces: A Stunning Makeover at Asset Limelight 5B, Edappally

Welcome to our latest update! We are excited to showcase the elegant transformation of **Asset Limelight 5B** located in the vibrant and ever-growing neighborhood of **Edappally, Ernakulam**. This interior redesign blends modern aesthetics with everyday functionality, resulting in a harmonious and inviting living space. Let's take a detailed look at how each area of the apartment has been thoughtfully crafted.

FOYER

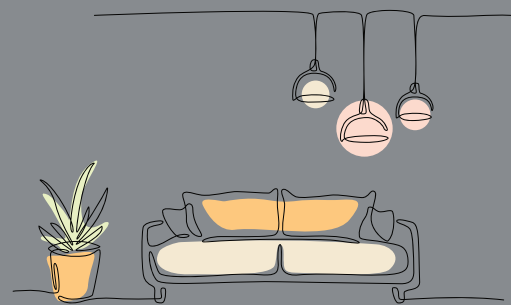

As you enter the apartment, the foyer immediately sets the tone for the rest of the apartment with its light wooden and beige combination. A sleek shoe rack with integrated seating serves both practical and aesthetic purposes. The back paneling, painted with a glowing texture, adds a touch of sophistication, while a stylish hanging light on the left side casts a soft, welcoming glow.

LIVING AND DINING ROOM

The living and dining areas are designed with an open, airy feel, thanks to a light wooden and beige architrave that elegantly frames the space. A small but stylish partition made of fluted glass separates the living from the dining area while maintaining an open flow. The living room features a plush beige sofa, paired with a dark wooden combination sofa, creating a perfect balance of light and dark tones. The dining area includes a matching dark wooden table with six chairs, keeping the color scheme consistent throughout the space. Decorative hanging lights illuminate both the living and dining areas, while a false ceiling with profile lights and spotlights adds depth and warmth. A statement hanging light in the corner of the living room adds a visual focal point.

FORMAL LIVING ROOM

In the formal living room, a sleek dark wooden wall-mounted TV unit is complemented by marble-finish back paneling, which is enhanced with integrated backlighting. This design feature is both functional and striking. The dark wooden bookshelf, with glass shutters and internal profile lights, adds elegance while

providing ample space for books and decor. A small table near the bookshelf adds both functionality and style. A grid false ceiling in this room completes the modern aesthetic, adding a touch of architectural sophistication.

MASTER BEDROOM

The master bedroom at Asset Limelight 5B exudes warmth with its dark wooden elements and soft lighting. A dark wooden bed is paired with a matching console, while the used clothes cabinet and dressing unit with a mirror offer practicality and style. The dark wooden wardrobe with four-color Aristo shutters is a standout feature, combining both luxury and function. The false ceiling, equipped with profile lights and spotlights, provides the perfect ambient lighting, enhancing the room's calming atmosphere.

SECOND BEDROOM

In the second bedroom, the design follows a similar warm, minimalist approach. A dark wooden and white bedcot is paired with a light beige wardrobe and dressing unit, creating a balanced, serene space. The false ceiling with profile lights and spotlights adds just the right amount of illumination, making the room feel cozy and inviting.

KITCHEN

The kitchen is designed for modern living, with dark beige cabinets providing ample storage and a sleek, contemporary look. The profile handles complement the overall aesthetic, while two glass shutters on either side of the window allow natural light to flood the space. A pull-out garbage unit in the bottom cabinet adds convenience, while the kitchen is fully equipped with an oven, cooking range, dishwasher, and plenty of space for meal preparation.

This apartment at Asset Limelight 5B, located in Edappally, perfectly demonstrates how a harmonious blend of design elements can transform a space into a beautiful, functional home. From the elegant foyer to the cozy bedrooms, every detail in this apartment has been carefully crafted to balance style, comfort, and practicality. Stay tuned for more updates and design inspiration in our upcoming newsletters!

CLIENT SPEAKS

PROUD OWNERS OF LIMELIGHT 5B.

We would like to express our sincere gratitude and appreciation to the entire Asset homes Limelight interior team for the excellent interior works and designs done in our apartment in 5B, Edapally.

Their professionalism and skills are highly commendable, and it was a great pleasure having their service. They have indeed provided us with a relaxing and comfortable place to live in. It is truly praiseworthy to chalk out some of their outstanding skills on how they have maximized the utilizable space in such a way that every nook and corner has its own uniqueness and beauty. The team has been patient and liberal to accommodate our ideas instead of pushing on us just their plans. They have impressed us with their exceptional workmanship and aided us at every juncture. They have helped us make selections and inspired us with valuable suggestions. The team was very supportive and helpful throughout the entire project.

We take this opportunity to highlight Reshma's outstanding suggestions and ideas, to bring out an aesthetic appeal to the apartment. She has gone all out to accommodate our requirements, especially in the kitchen area, where she turned our desires into reality. Shameena has put in her best to bring out beautiful ideas into the project. I have no words to express how helpful and supportive Sivaprasath was, and is continuing to be so, even after the handing over of the project to us. In totality, we are very satisfied with the finished product, and we have no hesitation in recommending them to any future clients, considering the quality of work, affordable price and timely delivery.

We take this opportunity to personally thank Reshma, Shameena and Sivaprasath for their support, professionalism and patience throughout the project. We wish them all the best in their future endeavors

Team behind design and execution: Mrs. Shameena Shafeeq
Mrs. Reshma Raveendran
Mrs. Anju A.V.
